At 8 p.m. Friday, the Actors Theatre of Windsor is mounting a production of the courtroom drama "Twelve Angry Men" at the Chrysler Theatre in downtown Windsor. The cast is primarily lawyers, many from Windsor, including some University of Windsor law professors, as well as two stateside barristers: Professor **Robert Brown** from the much-acclaimed University of Detroit Mercy School of Law and some obscure litigator and quasi-politician named uh, er, **Geoffrey Fieger**.

The performance benefits several Canadian charities and will be followed by an afterglow in the theater lobby. Tickets start at \$15 at [www.chryslertheatre.com](http://www.chryslertheatre.com) and 519-252-6579.
